District 57 has appointed an interim transportation coordinator. His name is Bill Willetts and he will be with us through the duration of the 2009-2010 school year. During this interim timeframe the Board of Education and Administration will be discussing what the next steps will be regarding transportation for the district.

Mr. Willetts comes to the district with extensive transportation knowledge having served as the transportation director for Community Consolidated School District 15 in Palatine from 1998-2006 where he directed the daily operations and managed 193 employees for over 13,000 students with 138 buses and 15 schools. During his tenure, the transportation department also received the 2003 Leland E. G. Larson Student Transportation Quality Award, an award given by the National Association of Pupil Transportation recognizing and rewarding school districts that are committed to improving the quality of their school transportation services.

Most recently, Bill has served as an interim transportation director at Community Unit School District 302 (Kaneland). Earlier in his educational career, Mr. Willetts served administrative roles in Indiana and Montana as principal and assistant principal and worked at the higher education level.

In other transportation news, Theresa Paoli has officially been named the permanent driver of bus route 11 at Lincoln & Lions Park, and Westbrook's Bluebird route for the remainder of the school year. Theresa has been a District 57 bus driver for 12 years, serving several routes throughout the community.
